

# Interview Tips

## Interview Tips:

- **Rehearse and Practice in Advance**
  - Practice in mock interviews with family/friends, or in front of a mirror
  - Be mindful of your body language, good eye contact, good handshake
- **Do Your Research**
  - Know the job details
  - Know the company

## Do:

- **Dress for Success**
  - Ask what proper attire is for your interview
  - Better to be overdressed than underdressed
  - Be well-groomed
- **Be Prompt**
  - If you don't know the location, map it and drive by in the days before.
- **Be Mindful of Body Language and Mannerisms**
  - Don't be too familiar
  - Be professional
- **Listen**
  - Make sure you understand the questions
- **Be Specific**
  - Take time to answer the questions correctly
  - Answer questions succinctly
  - Use examples relevant to the position you are interviewing for
  - Use appropriate language
- **Ask Questions**
  - Show that you've done your homework and are interested in the job and company
  - Ask what the next steps are in the process
